FAST FOR MAE DAY.

Mr. Lazarus's Big Sprinter Beat Dr. Kinder's Mare-Equaled Track Record Doing It.

WAX TAPER CANTERED IN 1:40.

Captain Rice's Horse Reached Mile Record for Track Without Trying-Three Long-Shots Win Races.

Mr. Lazarus's good horse Sharp Bird (Raynarok-Olife Bird) beat Doctor E. B. Kinder's fast mare Miss Mae Day (Hermence—Asla Lala) by a neck in the fourth race, a six-furlong dash, at the Fair Grounds yesterday. Sharp Bird had to equal the track record for the distance, equal the track record for the distance, 1:13, to do it. He carried 112 pounds against the mare's 102. She was off first at the start, he was off fourth. They were both well ridden and both took long drives in the gamest kind of a way. Sharp Bird held the neck advantage at the wire that he had at the head of the stretch. He ran as game as a horse ever raced. The same may be said of the fast mare he defeated. It can scarce be truly said that if the race were run over again it would have any other result. Both horses were well off, well placed and well ridden. It may have been that had O'Brien taken the mare down the stretch on the rail instead of coming on the outside and letting the horse carry her out she could have won. But it is doubtful. Again it may be argued that though Mae Day was off in front O'Brien let her drop out of it a little on the second quarter in 23%.

Had he kept her up it might have made some difference. She had to make up some four lengths from the stable turn to the stretchhead. When she turned to run home she challenged the flying Texan. He was willing. O'Brien drew his whip and warmed the mare up. Then he put the whip away and rode her for dear life. Harshberger did just what O'Brien did. When Mae Day drew alongside he let Sharp Bird have a liacing. Then he put the whip away and rode her for dear life. Harshberger did just what O'Brien did. When Mae Day drew alongside he let Sharp Bird have a liacing. Then he put the whip away and rode her for dear life. Harshberger did just what O'Brien did. When Mae Day drew alongside he let Sharp Bird have a liacing. Then he put the whip away and rode her for dear life. Harshberger did just what O'Brien did. When Mae Day drew alongside he let Sharp Bird have a liacing. Then he put the bat away and rode, a twelftin out both went after the bat again. It was too hot and too fast to sit still. Both horse and mars took the whip in perfect style. Neither swerved an inch while it was going on, though both finished all out. As far ag a sprint can be a great r 1:13, to do it. He carried 112 pounds against the mare's 102. She was off first at the start, he was off fourth. They were both

GOSSIP OF THE QUARTER STRETCH. Great Horse Race Between Sharp Bird

and Miss Mac Day—Notes.

Gamblers can get sport out of any old kind of racing, if they but win. A sportsman got his money's worth at the Fair Grounds, looking at the horses run yesterday. It was worth Ascot prices—\$15 in Tattersalls's ring—to see Sharp Bird and Mac Day yesterday, even if it was a sprint.

Words fall to describe the race. It was run too fast to think or talk about. It was run too fast to think or talk about. It was run too fast to think or talk about. It was run too fast to think or talk about. It was run too fast to think or talk about. It was run too fast to think or talk about. It was run too fast to think or talk about. It was run too fast to think or talk about. It was run too fast to think or talk about. It was for which you wake up so sorry it is all over. All you could see in this race was a flagfall, a rush of rainbow colors, Sharp Bird's United States jacket skimming in front, tollowed by the blue and white cap of Orleans, the blue, red and orange of Tulla Fonso and the purple and lavender of Mae Day. About the stable turn it could be seen that O'Brien was letting Mae Day drop out of it a bit too much. He shook her up as they came around the upper turn, and she came along as if she way going to win.

If she had a chance it was gone when

per turn, and she came along as if she way going to win.

If she had a chance it was gone when O'Brien swung wide at the entrance. He drew the whip, and so close was he to Sharp Bird that you could not tell who was whipping until they straightened out. Then O'Brien relieved the mare of the whip, and Harshberger laid it on Sharp Bird, just a few licks to get him going. Down the stretch they flew. The blue of Orleans and the giaring red, green and yellow of Tulla Fonso faded out of the kaleidoscope. You could not see any color. You could see but the light brown horse and the dark brown mare side by side, she outside, he inside.

brown mare side by side, she outside, he inside.

The glasses brought them under the eye and it could be seen the short-bred Texan was not quitting. His head is not the head of a "dog." Then did he not run six furlongs with Silverdale, Tayon and Deboe last Saturday and never quit? Thus they ran until some 100 yards from the winning post. The boys could not sit still any longer. Small blame to them. Older heads in the stand were lost. O'Brien drew the whale-bone and out came Harshberger's quirt. The boys seemed frenzied with the speed and the fight. They whipped and drove as if possessed. All the time the strong, resolute jowl of the Texas horse was in front of the delicate velvet nose of the mare. She was game, but he was there, too. Both went over the line driven, ridden and scourged to the last ounce, yet never a swerre did either make in all that terrific drive. It was a great horse race, even if it was but a sprint. And do not overlook the fact that Orleans ran a capital race in it.

The win of Morris Volimer was also a fluke. Virgle d'Or figured best, but on account of her rider the handicappers threw her out. She would have won easily. Off badly and bumped around the first half of it, she managed to run into a safe position by the time they reached the stable turn. Then little Winslett allowed her to lag and drop back. She seemed out of it, but he got her going again, and under a bungling drive she ran Vollmer to a neck on the post.

On previous races, allowances being made for improvement, Sidtilla had every license to win the first race, though she was a 20-to-1 shot. Her races have shown speed.

Virgie d'Or could not have lost this race.

Raioma again showed himself a very good and consistent coit by winning from Old Hutch and H. L. Coleman in finished style. Taper gallop, verily gallop, a mile in 1:40. FREE GATE AT LATONIA.

Badges Were Given to Regular Attendants—A Big Crowd Was Out.

Cincinnati, O., May 15.—The gate was practically free at Latonia to-day and the attendance much improved in consequence. The management did not fracture the letter of the Western Jockey Club laws, but it was really the same thing, as they freely distributed badges around Cincinnati last night and during the morning, and there was no supreme effort needed to pass the "vigilant" gatekeepers, Track fast, weather clear and the betting much improved. Oklahoma Shooting Tournament,

When there is a natural and healthy circulation of the blood, the entire quantity, estimated at one-eighth the weight of the body, passes through the heart every five minutes. This rapid flow of the blood through the system prevents the entrance of disease germs and impurities of every description. It filters out all that is not necessary or good for the growth and development of the body and nourishing and strengthening the muscles, tissues, nerves and bones. But, unfortunately, few persons can rightly claim an absolutely pure blood supply and perfect and unpolluted circulation, and in consequence are exposed to innumerable diseases. Contagious Blood Poison, the greatest enemy to mankind, enters the system through the blood, and Cancer, Scrofula, Rheumatism, Catarria, Eczenia, Salt Rheum, Psoriasia, Tetter—in fact the majority of human ailments—are caused by poisons or humons that are engen-

through the blood, and Cancer, Scrofula, Rheumatism, Catarrh, Eczema, Salt Rheum, Psoriasia, Tetter—in fact the majority of human ailments—are caused by poisons or humors that are engendered and fostered in a shuggish.

The Blood is the Source and impoveriahed blood. Old sores, chronic ulcers and rheumatic pains are common, especially among old people, whose blood naturally grows thin and pale because of the lack of the red corpuscles that give color and strength to youthful blood. Sallow complexions and rough, oily akins evidence some constitutional or blood trouble, which salves, lotions, powders nor any external treatment can cure. Diseases that originate in the blood, whether they manifest themselves as ulcers, tumors, itching eruptions, muscular on bone pains, require a tonic and blood purifier such as S. S. S., which not only antidotes and neutralizes blood poisons and humors, but possesses health giving tonic properties that no other blood medicine does. It goes down to the very foundation of the disease and eliminates from the system everything of a poisonous character or that obstructs and clogs the circulation. It builds up and imparts new strength and vitality to the old innutritious blood, and when the arteries and veins are once more filled with new rich blood, the general health begins to improve, muscles grow stronger, and sores and eruptions of every kind disappear.

S. S. S. is the only guaranteed purely vegetable blood purifier, and the purest and most reliable in all blood diseases. It has been tested in thousands of cases during the past fifty years and is more popular today than ever. We will be glad to send you our book free, and if in need of medical advice write our physicians all about your case; this information will cost you nothing and comes from experienced and educated doctors. All correspondence is conducted in stricted confidence.
